El Cerrito public works holding open house

In celebration of National Public Works Week May 16-22, El Cerrito's public works department invites residents to attend the second annual open house on May 19 from 4 to 6 p.m.

The open house will be located at the corporation yard, 7450 Schmidt Lane.

Residents will have the opportunity to ask questions, look at equipment and see what the public works department does

for the city. There will be a raffle with prizes provided by the Stege Sanitary District and refreshments.

National Public Works Week is a celebration of the tens of thousands of men and women in the country who provide and maintain infrastructure and services collectively known as public works.

For more information, call the department at 510-215-4382.
