Focus (September 2006) A monthly newsletter focusing on FHWA's efforts to accelerate FHWA infrastructure innovations <http://www.tfsrc.gov/focus/sep06/index.htm>

Transportation Conformity Highlights (October 2006) FHWA monthly update on transportation conformity issues. Activities underway in Washington, D.C. such as the reauthorization of TEA-21 and the implementation of the new 8-hour ozone and PM2.5 standards will impact transportation conformity in the near future. FHWA issues this update monthly in order to keep conformity stakeholders up-to-date on issues related to transportation conformity.
