Governor Rick Perry declares National Public Works Week

Governor Rick Perry declares May 16-22, 2004, National Public Works Week. National Public Works Week is a celebration of the thousands of men and women in Texas who provide and maintain the infrastructure and services collectively known as public works. Marsha Reed, P.E., Texas Public Works Association President and Public Works leaders from across Texas traveled to Austin on behalf of the often-unsung heroes of our society—the professionals who serve the public good every day with quiet dedication. The Governor expressed appreciation to the hard working public works professionals who enhance the quality of life by their efforts.
