### Develop Your Own Urban Forestry Plan

Trees add value to an urban environment on many levels. How do you achieve the proper balance without jeopardizing the trees or your agency's budget?

#### Learn:

- What, when, and where to plant in your city or county landscape
- Which tools can help you inventory your trees
- How to determine arbor health
- When to replace diseased trees
- How to maximize your forest's environmental benefits on a limited budget

#### Speakers:

**Don Cannon**, Director of Public Works, Township of Lower Merion, PA

**Don Cafaro**, City Arborist, City of Mountain Brook, AL

**Gordon Mann**, Public Works Superintendent, City of Redwood City, CA
