MISSION STATEMENT
The Fleet Management Committee’s mission is to support excellence in fleet management through advancing the leadership, education, and promotion of fleet proficiency to APWA members, agencies and organizations.

OBJECTIVES
The principal objectives of the committee, in support of APWA’s Strategic Goals and Activities, are to:
1. Structure the committee’s annual work plan to align with the APWA Strategic Priorities;
2. Be the voice and representative of fleet excellence at a local and national level in the United States and Canada;
3. Enhance efforts to provide technical input, education, and leadership on fleet issues;
4. Partner with like-minded organizations to leverage influence and advance priorities;
5. Support and help build fleet membership at the local and national level;
6. Improve the perception of the value of fleet services to public works professionals, taxpayers, elected officials and communities;
7. Provide support and increase participation in the Certified Public Fleet Professional (CPFP) program;
8. Identify industry trends, emerging technologies, and/or concerns related to fleet management including collaborating with the APWA International Affairs Committee and the Jennings Randolph Fellowship Program to identify international emerging technologies; and
9. Provide guidance to staff regarding marketing of APWA programs, products, and services.

ORGANIZATION
Chair: The committee chair shall be appointed by the APWA President-Elect. The chair is responsible for overall direction and management of the committee. The term of office for the chair shall be one year but may be reappointed for a second year by the APWA President-Elect. No member of the committee can serve more than a maximum of 6 years including a maximum of 2 years as chair.

Vice Chair: The committee may select a vice chair. The vice chair must be an appointed member of the committee. The vice chair will serve as the chair in the event that the committee chair cannot attend and/or participate in a meeting. Selection of a vice chair does not guarantee the individual will be appointed by the APWA President-Elect to the chair position when the position becomes vacant.

Members: The APWA President-Elect shall appoint up to six (6) voting members (including the chair). Committee members serve a two-year term and may be appointed for up to three consecutive two-year terms. The qualification basis for appointment to this committee is to be a “highly knowledgeable” subject matter expert in the specific area of committee responsibility with diversity of technical background, experience, and geographic location. Qualified candidates must also be representative of APWA’s broad membership and currently engaged in fleet management. One member will be appointed by the President-Elect to serve as the liaison to the APWA Certification Council. It is encouraged that members hold a Certified Public Fleet Professional credential (CPFP). One committee member or
corresponding member shall be selected by the committee to serve as a representative on the Professional Manager & Snow and Ice Award Committee.

**Corresponding Members:** The committee chair may designate any number of non-voting corresponding members as the need arises, especially to address areas of development that may not be fully represented by the committee. Corresponding members need not be APWA members. If they are invited to attend a face to face meeting, they must cover their own travel expenses.

Groups of corresponding members (subcommittees and knowledge teams) may be formed as necessary to further the mission of the committee. A group of corresponding members may be dissolved or established by a simple majority vote of the committee.

**FINANCIAL AND ADMINISTRATIVE SUPPORT**

The committee will participate every year in a combined meeting or in a collaborative effort that addresses the objectives of the committee and the APWA strategic plan. These expenses are reimbursable for committee members. The Fleet Management Committee will also meet one day prior to PWX. Committee members shall commit to fund their own travel and expense to attend the committee meeting held at PWX. Generally, each committee meets by conference call up to ten times per year for approximately a one-hour teleconference. Administrative support shall be provided by APWA staff.

**REPORTS**

The Committee shall produce an annual work plan that takes into consideration review of APWA products and programs and addresses the objectives listed in this charter. A written summary of each conference call meeting and in-person meeting shall be prepared by the chair or his/her designee to be provided to all committee members and which may be posted on the APWA website as information to general APWA membership. Committee updates may also be requested periodically for submission to the APWA Board of Directors via the At-Large Director.

**CHARTER CHANGES**

Amendments to this Charter require a majority vote of the voting committee members present at a regularly scheduled meeting (when there is a quorum) and are subject to approval by the APWA Board of Directors.

**Date of Board Approval:** June 23, 2017. Amended charter approved: March 8, 2018; June 7, 2019
