## IF YOUR CHAPTER IS INTERESTED IN HOSTING A CERTIFICATE PROGRAM THIS YEAR, THERE ARE THREE OPTIONS TO HELP YOU:

### **OPTION #1**

Face-to-face certificate programs can tentatively be scheduled for 2021. Depending on local gathering restrictions and/or APWA travel restrictions, your program may be canceled or become virtual, whichever your chapter prefers.

**No face-to-face certificate programs will be conducted through the end of the 2020 calendar year. Virtual options through the end of 2020 and beyond are as follows:**

### **OPTION #2**

Your chapter takes care of registration and hosts the program on your own virtual platform.

### **OPTION #3**

APWA will host the program on our virtual platform. If your chapter is not using the chapter template, APWA will also take registration for a small administrative fee.
