General Information

The following types of eCourse purchases **must** be placed over the phone with the APWA Fulfillment Associate:

- For an individual (other than yourself)
- For a group of individuals
- To receive a discount for purchasing multiples of the same course

Instructions for Placing an Order

IMPORTANT: We must have an email address for each participant to give them access to the course. Please provide a list of the email addresses for each of the individuals who will be licensed for the eLearning course. These must be unique to the individual, as this is how they will log into their course. If the individual does not have a company email address, a personal email address will work.

To order:

1. Call Matt Rodriguez, APWA Fulfillment Associate at (816) 595-5282.
2. Provide Matt with the following:
 - The name of the courses you wish to purchase.
 - The first and last name; APWA identification number (if they have one); and email address (see the Important note above) of the individuals for whom you are purchasing.
